RE: Product Code SL-2010M2096 Dialog Streamline Label Change

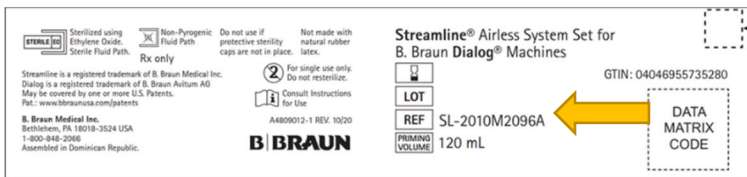

Dear Valued B. Braun Customer,

B. Braun Medical Inc. is releasing Streamline bloodlines from a secondary manufacturing site beginning May 2022. This letter is to provide you with a summary of the changes and to make you aware that **no ordering changes need to be made on your part and the product is the same. If you order SL-2010M2096, you may get SL-2010M2096A and if you order SL-2010M2096A, you may receive SL-2010M2096.**

We will have a mix of the old label/box and the new label/box. The new label that you may see on the product will have an A at the end of the product code as indicated by the yellow arrow in the graphics below.

- Product Code SL-2010M2096: Current label and box you are currently ordering.
- Product Code SL-2010M2096A: New product label. The A only indicates it is from a different manufacturing site. The new label and box will look like the graphics below.

Saline line tag:

New Box: (No changes in quantity)

Please feel free to contact our customer service for any questions you may have at 1-800-848-2066.

Sincerely,

Lisa Hedin
