Dear Valued Customer,

B. Braun Medical is constantly evaluating how to best serve our customers, so you can focus on providing optimal care to your patients. To that end, we have updated our Customer Support number. This change will ensure there are more Customer Support Representatives available to address your needs.

Beginning October 1st, please use the following numbers:
1-800-627-7867 for capital or spare parts orders
1-800-227-2862 for disposables

Thank you for your continued support.

Sincerely,
Jeremy H. How
Corporate Vice President Sales Operations
