Dear Valued Customer,

B. Braun Medical is continuously trying to anticipate and meet the needs of healthcare systems and providers delivering care to COVID-19 patients. We are following available clinical information as we work to ensure all critical products are available.

The importance of pharmacologic thromboprophylaxis in acutely and critically ill patients cannot be emphasized enough, especially in COVID-19 patients. The table below contains B. Braun’s heparin products, which are indicated for prophylaxis. Full prescribing information can be found within the product package inserts, available on the B. Braun website at [bbraunusa.com](http://bbraunusa.com), or by contacting Medical Affairs at 1-800-845-6851 or [medinfo.us@bbraunusa.com](mailto:medinfo.us@bbraunusa.com).
