B. Braun Medical Renal Therapies Quarterly Newsletter

New Team Member

We're pleased to introduce our new Clinical Specialist, Afree Becton, BS, CCNT. Afree has a Bachelor of Science in Healthcare Science and an Associate Degree in Nephrology Technology. She has been working in dialysis clinics since 2006. Throughout her 15 years in dialysis, she has been both a preceptor for clinical teammates and the administrative assistant at Davita. In her spare time, Afree reads paranormal books, listens to EDM music, and makes floral arrangements. Afree will be hosting our June Clinical Webinars. Sign up to learn about hemodialysis and meet our new team member!
