SHARING EXPERTISE

DUPLEX® Drug Delivery System

Without the Wait

The ready-to-use, two-compartment container that keeps pre-measured medication and diluent separate until you're ready to mix and administer

Less Means More

Without the need for syringes, vials, or added steps that slow you down; we help you save time, resources, and labor

Patient Protection

The closed-system is designed to prevent contamination, protect potency, and ensure diluent cannot be delivered without the drug
